

Dear Friends,

Kent Hovind Update- July 13, 2015

PRAISE GOD!! I'm HOME! For 5 days now! And, I'm ALMOST out of prison! I still have to wear an electronic monitor for 25 more days and must stay w/i 150 feet of a tracking unit (See Rev. 13:16). Then, for the next 3 years, I'm on probation where I can travel but only in the US. Unless, we get the original 2006 case overturned-which is still in the works and is a distinct possibility! ☺

I'm sorry about the "generic" update rather than a personal response but, with a LOT to catch up on after this ordeal... and a ton of mail and email to answer... it's the best I can do for now. ☺ If you need a personal response or have a question I can help with please keep an eye on 2peter3.com where we will soon announce details about a new YouTube channel (whatever "YouTube" is! I'm WAY behind on techno stuff too!) where I will answer questions like I did for 8 months on Lonestar1776.

Nine years ago today my wife and I were arrested Swat Team style and taken to the Federal Courthouse and indicted for "structuring." I spent the next 8.7 years in the federal prison system being moved (over 30 times) all over the country. What an interesting experience this has been! God was good! I see now why so much of God's Word was written from prison or captivity or by people who experienced one or the other! It certainly reminded me (every day!) of my favorite hymn which says: "This world is not my home. I'm just a passin' through. My treasures are laid up, somewhere beyond the blue."

My family did a wonderful job organizing a homecoming party on the 11<sup>th</sup>. We had over 500 people drop by to welcome me back. Folks came from all over America and several foreign countries! Thankyou everyone. I felt a lot like Job must have felt in Job 42:11. ☺

So, what is next? Keep preaching God's Word and the creation message to a lost and dying world. II Peter 3:5-8 tells us that in the last days people would be willingly ignorant of 3 things: the creation, the flood and the coming judgment. I preached for 25 years on the creation and the flood and copies of my DVDs still circle the globe in over 40 languages but I avoided a lot of talk about the 3<sup>rd</sup> one, end times, because I was not sure of how it all fit together. During my "extended vacation" in the Federal prison I spent a LOT of time looking at all the various views and especially the Word of God and was forced back to the historic position of the church; we WILL be here for the tribulation time but will be raptured out when the sun and moon go dark BEFORE the Day of the Lord which begins with a time of great wrath. (See Mt. 24:29-31; Mk. 13:24-27; Acts 2:20; Rev. 6:12 and my book "What on Earth is About to Happen...for Heaven's Sake?" on Lulu.com)

Paul Hansen is still in SRCJ and fighting the case over several "thorny" issues involving jurisdiction. Please pray for God to give him wisdom and the victory soon!

I got to see the Creation Today store and headquarters of my son Eric's ministry! Wow! He and the family have done a great job! In my 9 years of prison I don't think I met ANY other men who had a family that loved and served the Lord. ☺ God has been GOD to me!

Tomorrow, is my 42<sup>nd</sup> anniversary! She sure never dreamed marrying me would be such an.... Adventure! ☺ AFTER a week or so to get oriented here, if you need to speak with my please call my cell phone- 850-375-0028.

Thank you for your prayers and support during this long trying time! I'll see you at the finish line! Kent
